

Republican Primary Sample Ballots

PARTY REFERENDUMS

The ballot in all counties includes the following referendums:

IMMIGRATION

Federal, state and local officials should be required to enforce U.S. immigration laws in order to secure our borders.

PHOTO ID

The Texas Legislature should make it a priority to protect the integrity of our election process by enacting legislation that requires voters to provide valid photo identification in order to cast a ballot in any and all elections conducted in the State of Texas.

CONTROLLING GROWTH

Every governmental body in Texas should be required to limit any annual increase in its budget and spending to the combined increase of population and inflation unless it first gets approval to exceed the allowed annual growth or in the case of an official state of emergency.
